Lapwai School District Superintendent's Student Cabinet

*Nez Perce Cultural Principle:
Interpersonal Relationships*

Aaralen Moses, Dominick Kager, and Madden Bisbee represented the Student Cabinet this week in a video on respect. Please join me in thanking Jim Spencer and Jenny Williams for gifting us with their knowledge and support in the project. The interviews included what respect is as well what respect looks like at school and in the community. A Wildcat thank you to the Lapwai School District Indian Education Department for their support and Cece Bourgeau for lending us her video editing skills. The project will be shared soon.

These students represented their schools so brilliantly. They were outstanding! We could not be prouder of them. It is clear why they were nominated for this leadership opportunity.

Please also join us in celebrating Bahi Hansen for allowing us to use the beautiful environment she has created in the Lapwai Elementary School Library! Last but not least, thank you Iris Chimburas for your amazing support in scheduling and coordination!

I am so proud of Aaralen, Dominick, Madden, and their classmates on the Student Cabinet!

April 2024 School Board Meeting Celebration

Mary Lynn Walker joined us virtually during the April School Board Meeting to present success with students in her Native American History and Native Issues Research classes. This is Mrs. Walker's 52nd year of teaching in the Lapwai School District. Please join us in celebrating her service to our Wildcat Scholars! It was great to check in with this outstanding teacher!

April 2024 School Board Meeting Celebration

Devin Boyer joined us during the April School Board Meeting to present success with students in her Botany class. Her son Ben was a great helper in gifting our Trustees with flowers from the Lapwai Middle-High School Greenhouse.

Thank you Devin and Ben!
